4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

With the increasing demand for internet access in educational campuses due to evolving standards of education and flexibility offered by the Internet the IT Infrastructure and IT-enabled services in the campus are provided to the faculty, offices, departments, and students. During the Covid-19 Pandemic and Lockdown, the college facilitated Online Teaching and Learning and several academic activities by providing wired and wireless internet access seamlessly in the classrooms, library, and laboratories to the students and faculty members. To keep up with the high bandwidth demand, the institute has upgraded the Bharat Sanchar Nigam Limited's 01 existing internet connections to an Optical Fibre line of 200 MBPS with DLINK's router and networking switch of 1 GBPS.

The institute has automated all its manual work via KANINI software which offers students the facilities like admission, students fee collections, Student's attendance, and other academic facilities.
